PROFESSIONAL SUMMARY

BCA graduate (CGPA 9.04) with practical exposure across programming, cloud platforms and web development, gained through internships, certifications and self-driven projects — including JanLink, a full Firebase-based citizen-complaint platform built end to end. Comfortable picking up new tools quickly, backed by an Oracle Generative AI Professional certification and a completed AI-ML virtual internship with Google for Developers.

KEY SKILLS

Programming: Python, Java, C, C++, HTML/CSS/JavaScript, SQL

Tools & Platforms: Firebase, Streamlit, MS Excel, Word & PowerPoint (proficient), Generative AI tools (Gemini, Vertex AI), Basic AI/ML algorithms

Soft Skills: Problem-solving, Communication, Teamwork, Adaptability

EDUCATION

Bachelor of Computer Applications (BCA) — Amity University, Gwalior, MP | CGPA: 9.04 | 2023–2026

Senior Secondary (Class XII) — Rainbow Higher Secondary School, MP Board | 73% | 2022–2023

Secondary (Class X) — Rainbow Higher Secondary School, MP Board | 79% | 2020–2021

INTERNSHIP EXPERIENCE

Machine Learning Intern — MintWays Technologies Pvt. Ltd.

July 2025 – August 2025

- Worked across development, testing and database tasks on a Helmet Detection project, contributing to real project delivery in a professional team setting.
- Received positive feedback for curiosity, hard work and quick learning during the internship.

Machine Learning Intern (Self-Driven Project) — Coincent Languify

2024

- Built an image classification model for fruit recognition using a Kaggle dataset as a self-initiated learning project.

PROJECTS

JanLink — Cloud-Based Complaint & Scam Reporting System

<https://janlink.netlify.app/>

- Built a full citizen-grievance and scam-reporting platform on Google Firebase (Authentication, Cloud Firestore, Hosting) as a final-year academic project — no traditional backend server.
- Designed three role-based portals (Citizen, Authority, Admin) with a real-time complaint lifecycle: submission, unique token tracking (JS-YYYY-XXXXX format), and status sync via Firestore.
- Added a dedicated scam-reporting module so users can flag fraudulent calls impersonating officials.

Helmet Detection System (Computer Vision)

- Built a real-time helmet-detection model using YOLOv5 and OpenCV, deployed via Streamlit with TorchScript for inference.

Fruit Recognition Classifier

- Trained a CNN image-classification model (TensorFlow/Keras) on a Kaggle fruit dataset; visualised results with NumPy and Matplotlib.

Personal Portfolio Website

- Designed and built a responsive personal portfolio using HTML, CSS and JavaScript with a resume section, contact form and project gallery.

CERTIFICATIONS

- Oracle Cloud Infrastructure 2025 Certified Generative AI Professional — Oracle University (Oct 2025)
- Generative AI Certification, Gen AI Academy — Google Cloud & Hack2Skill (Aug 2025): Vertex AI, Gemini API, Imagen, Streamlit, Multimodal RAG
- AI-ML Virtual Internship (10 weeks) — Google for Developers / AICTE EduSkills (Apr–Jun 2025)
- Artificial Intelligence with Python — E-Cell IIT Madras / Coincent (Nov–Dec 2024)
- Full-Stack Development 101 — Simplilearn SkillUp
- Cybersecurity Awareness & Digital Skills Training — Zenith Group
- Marketing Mindset Certificate (Verified) — IdigitalPreneur
- Microsoft Learn Student Ambassador — Git & GitHub Workshop
- Generative AI, ML & Intelligent Automation — Simplilearn (in progress, 2026–2027)

ACHIEVEMENTS & LEADERSHIP

- Filed a patent application (No. 202521041848) for a mobile-based silent emergency alert and location-sharing safety system, developed with a peer under faculty guidance.
- Conducted an AI & Digital Marketing workshop for MSW seniors at a government school in Morar, Gwalior, covering real-world AI applications and short-videopreneurship.
- Led a cybersecurity awareness session for Class 8–12 students at a government school alongside a student team.
- Qualified Round II of Smart India Hackathon.
- Shortlisted for the final round in Virtual VISTA 1.0, a national-level project competition organised by IEEE, Guru Nanak Institutions, Hyderabad.

PERSONAL DETAILS

Date of Birth: September 14, 2004

Father's Name: Mr. Sayyed Gajanfar Ali

Mother's Name: Mrs. Sayyed Farheen Jahan

Languages Known: English, Hindi

DECLARATION

I hereby declare that the information provided above is true to the best of my knowledge and belief.

Date: 19-07-2026
